Mission Statement

Lapeer Community High School will provide students with a safe, alternative learning environment in which they can develop and demonstrate the social, academic and career skills necessary to be lifelong learners and responsible citizens in a global society.

Board of Education Recognition

January is Board of Education Recognition Month. We would like to take the opportunity to thank Board of Education President Peggy Bush for being our Board Partner this year.

We would also like to thank all the members of the Board of Education for continuously supporting Community High School throughout the years, which has allowed many Lapeer youth to follow an alternative path to success. Should you cross paths with a Board member in the community, kindly extend your appreciation for their commitment and dedication to our program.

ACT/MME Testing

On March 6, 7, & 8 all 11th grade students are tested.

Please ensure your student is well-rested and has had a healthy meal.

Testing will be at Lapeer West High School.

Details will be coming!

Yearbook Information

Lapeer Community HS yearbook is our own comic book. The yearbook also features mock elections, look a likes and baby ads. Please contact Mr. Norman for an order form.

A Final Note

During your child's academic career, parent-teacher conferences are a way of life just as PTA meetings, class open houses, special programs in which your child performs, et cetera. Like all other events that are significant in your child's life, they can be approached with optimism and a firm conviction that if a spirit of good will and optimism prevails, your child will, indeed, prosper.
