Mission Statement

Lapeer Community High School will provide students with a safe, alternative learning environment in which they can develop and demonstrate the social, academic and career skills necessary to be lifelong learners and responsible citizens in a global society.

Board of Education Recognition

January is Board of Education Recognition Month. We would like to thank Peggy Bush, our Board Partner, and all the members of the Board of Education for continuously supporting Community High School throughout the years, which has allowed many Lapeer youth to follow an alternative path to success. Should you cross paths with a Board member in the community, kindly extend your appreciation for their commitment and dedication to our program.

PLAN/EXPLORE Testing

All Freshmen and Sophomores will be taking EXPLORE and PLAN respectively, both of which are ACT-related proficiency tests which give students and their school essential information about their performance in school and their preparation for college and career in their futures.

- ✓ Sophomores will be taking PLAN on Wednesday, March 6, in the morning beginning at 7:30 am; they will remain in school for classes in the afternoon.
- ✓ Freshmen will be taking EXPLORE on Thursday, March 7, in the morning at 7:30 am; they will also remain in school for classes in the afternoon.

ACT/MME

On March 5, 6, & 7 all 11th grade students are tested. Please ensure your student is well-rested and has had a healthy meal. Testing will be at Lapeer West High School.

Special Note for Parents of 11th Grade Students

The Michigan Merit Exam is important for both your student and the school district. Assessment results can be used for college entrance exam purposes and also may qualify your student for scholarship money. It is critical that you avoid scheduling appointments on days of the assessment window.

We are working to provide the best possible testing environment. There will be only one opportunity to make-up any portion of the assessment. Make-up dates will take place March 19, 20 and 21. Approximately two weeks prior to the test, all 11th grade students will receive a letter that details information regarding testing locations, transportation, food service options, and required and prohibited testing materials.

If you have any questions about the modified schedule or the MME assessment, please feel free to contact your High School's counseling office.

A Final Note

During your child's academic career, parent-teacher conferences are a way of life just as PTA meetings, class open houses, special programs in which your child performs, et cetera. Like all other events that are significant in your child's life, they can be approached with optimism and a firm conviction that if a spirit of good will and optimism prevails, your child will, indeed, prosper.
